

Steven W. Forrest, Sr.

Died Age 35

Drug Overdose

Steven W. Forrest, Sr. was born on September 30, 1970 and died April 28, 2006 at the age of 35.

He was a loving and caring husband & father of two beautiful children; Steven Jr. age 16 and Hayley age 13.

Steve was always the life of the party. No matter what the circumstances, he always left a lasting impression on

whomever's path he crossed. Even though Steve is no longer here on earth with his family, we still can feel his presence. We know he is off in the distance, somewhere watching over us and waiting until the day we join him.

He will forever live in our hearts.
