

Sean Tyler Halverson

Died Age 20

Heroin

I lost my precious son, Sean July 11, 2002 to a heroin overdose.
He was 20 years old. I miss him every day with all my heart
and soul.

*Life is full of joy, life is full of sorrow.
None of us knows if we'll be here tomorrow.*

*God gave me a beautiful gift
Twenty years ago, in May.
A child full of laughter, love, and joy
I always thought you'd be here to stay.*

*It was hard on you, when your Dad went away
The hurt and anger with you every day.
I tried to be both Mom and Dad
to talk to me, when you were feeling sad.*

*But you chose to keep so much inside,
and in the drugs, you would hide.
I tried so hard to reach you
If only my love was enough to save you.*

*You thought that heroin was a friend
but surely it was an enemy.
I know how hard you tried to break loose
so you could recover, and mend.*

*How many times you said to me, "I don't want to
live like this, I want a happy, normal life".
There was so much help for you, to show you the way.
Maybe it was just too hard, too much pain and suffering.*

*I love you, babe, with all my heart.
God, give me strength while we're apart...
until we are together again,
and I can hug you up in heaven.*

Sean Tyler Halvorsen
5/11/82 – 7/11/02
Forever 20... forever in my heart
